

Activity Worksheet

Detective Training Day

Student Name _____

Activity #1

Match the detective tool with the correct definition below.

Word Weasel

Ad Alarm

Source Scanner

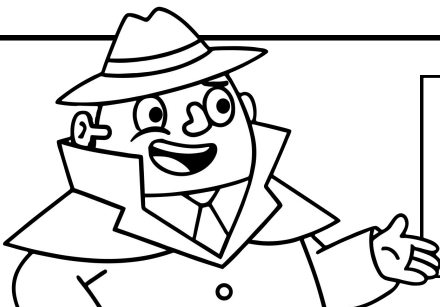

Reality Check

Use where you're unsure
if it's real or possible.

Use where you doubt the person
or site can be trusted.

Use where you spot tricky,
exaggerated, or emotional
language.

Use where something feels
like an ad or sales pitch.

Activity Worksheet

Detective Training Day

Activity #2

Detective Debrief Report - Two Stars and a Wish.

★ Star #1: Something I learnt about recognising sneaky or fake content.

.....

.....

★ Star #2: A detective tool I used well today.

.....

.....

☾ Wish: Something I want to get better at when checking online content.

.....

.....

Activity #3

Reflect on the success criteria.

Learning Intention: We are learning to check who made online content, why it was made, and how to stay safe from content risk.

Success Criteria

I can identify the author and purpose of a post and explain why it could be misleading.

I can use simple questions to check if content is real, reliable, or trying to sell something.

I can make safe, smart choices about the content I read, watch, and share online.
