

Activity Worksheet

Detective Training Day

Instructions

1. Look at the Tool Key below to remind yourself what each tool does.
2. Read each case file carefully.
3. Circle the part of the text where you think the tool is being used.
4. Draw a line from your circle to the correct tool in the key.

Tool Key

Word Weasel
Use where you spot tricky, exaggerated, or emotional language.

Source Scanner
Use where you doubt the person or site can be trusted.

Ad Alert
Use where something feels like an ad or sales pitch.

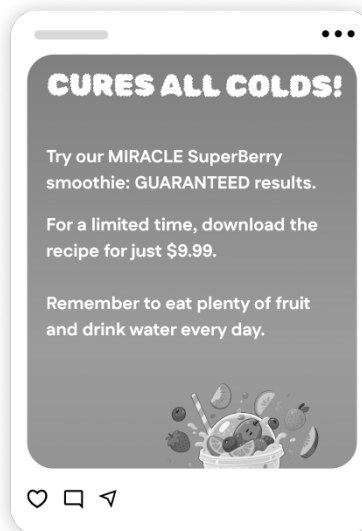

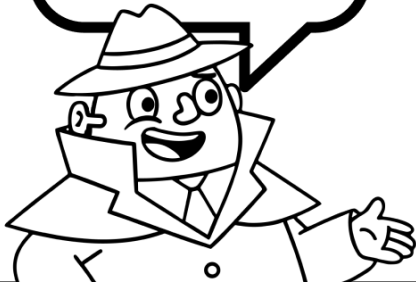

Reality Check
Use where you're unsure if it's real or possible.

Case File: Smoothie

3 clues to find

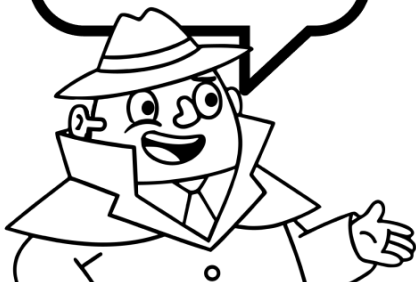

A smoothie promises miracle cures — but is it really healthy advice or something else?

Case File: Sphinx

2 clues to find

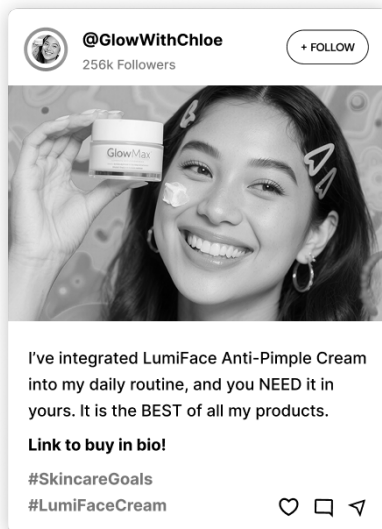

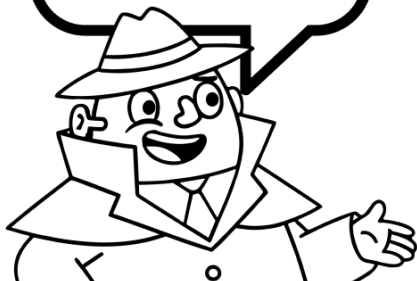

A viral post is causing outrage after showing the Great Sphinx covered in graffiti.

Case File: GlowUp

3 clues to find

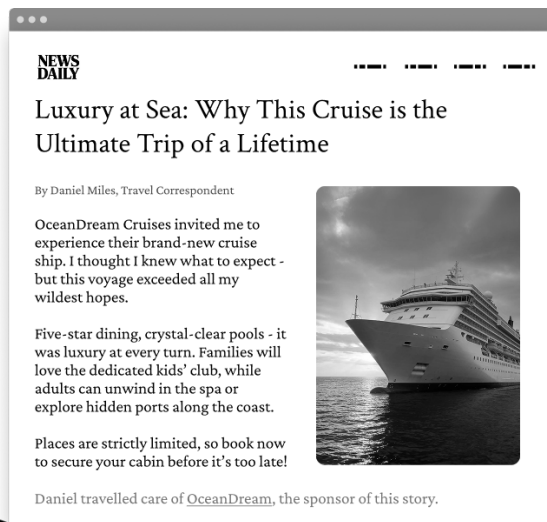

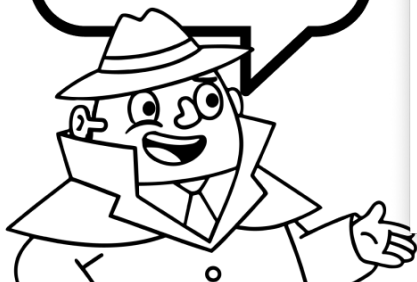

A popular influencer shares their "must-have" skincare routine — and thousands are reacting.

Case File: Cruise

2 clues to find

A luxury cruise feature sails onto a big news site but what's the full story?

Case File: Streamer Spotlight

3 clues to find

A popular gaming reviewer uploads a new video about his favourite controller. But is this a review, or something else?
